Chapter Meeting and Fall Event - Alexander Technique: Singing with Ease (September 29, 2018, PLU, 9am-4:30pm)

Come one and all to this community-wide event! We will be hosting Alexander Technique specialist and University of Alaska Anchorage voice professor Mari Hahn as she shares with us the many ways that AT can help us as singers and teachers! Registration can be found on the chapter website, www.tahomanats.org. This program is appropriate for college and high school aged singers--please invite them to join us! If you or one of your students are interested in singing for the masterclass, please contact Holly Boaz. Program details in attached PDF.

There will be a Tahoma Chapter meeting during the lunch break for this event. You may bring your own lunch, or purchase food in the Anderson University Center. ac
