Committee Reports

● Student Auditions (Briskey)

- The biggest change will be the use of a studio accompanist for the college-age categories only. The entry fee for each singers will double to cover the cost of the accompanist. However, this should be less than each singer hiring his/her own accompanist. This plan will mimic the actual audition process. The accompanist will not be affiliated with students in our area. A rep list will be submitted to the accompanist. The Board will choose the accompanist. The accompanist's name will not be released to the chapter members.
- An email about the Auditions will be coming out to members on October 12 or 19. There will be another email to members in the early part of November.
- There will be no Winners Recital after the Auditions this year.
