Update of Rules

Dear Chapter Members,

For the safety of our community we will be engaging in online auditions for the 2022 season. This competition will run in a similar way to the yearly regional and national student auditions program. Due to limitations with COVID-19, there will be several rules in effect this year in regards to accompaniment and submissions.

We strongly encourage all chapter members to carefully review the instructions and rules, old and new alike, contained within this document.

Sincerely,

The Auditions Committee

A few key points to watch out for:

- The competition will be held in an online format, due to COVID-19 concerns. Video recordings will be due, Wednesday, January 19th.
- For the first time, there will be a category for grades 6-8. These singers will perform one song for comment only in any genre they desire. They will also only have one judge.
- All singers will make performance recordings with either live pianists or accompaniment tracks.
- All teachers will be expected to serve as online judges between January 21-30, 2022
- Regional Submissions will be due Wednesday, February 23, 2022.

2022 Tahoma Chapter Auditions will be held online:

Registration Deadline and YouTube Submissions Due: January 19, 2022 at 11:59 pm.

For those moving on to the regional auditions, those placing 1-3rd, submissions will be due Wednesday, February 23rd, 2022

Purpose

MISSION STATEMENT

As an expression of the goals of the National Association of Teachers of Singing, the NATS Student Auditions:

- Inspire and encourage students and teachers to continue their dedication to, and growth in, the art of singing
- Create a collegial and supportive atmosphere that encourages excellent artistic singing
- Provide constructive, written feedback from a panel of experienced and impartial adjudicators
- Recognize and honor outstanding performances

Former NATS President Roy Delo believed that, “the idea of constructive criticism along with encouragement” is at the heart of our student adjudications. “Perhaps one of the greatest ties that binds us together as NATS members is the care we have for the students of our colleagues, as demonstrated at our student auditions.” *Journal of Singing, Vol. 57, No. 1, p.2*

Student auditions (SA) operate with the endorsement of the National Association of Teachers of Singing and, as such, they are expected to adhere to national bylaws and policies, including, but not limited to:

- NATS Code of Ethics
- NATS Policy on Copyright Laws
- NATS Auditions Regulations

Eligibility

1. Teachers entering students must be current with National and Chapter dues.
2. A participating student must be an **active** member of the teacher's studio at the time of the Auditions.
3. If the student has been studying less than 8 months with the teacher, the name of the previous teacher must be included on the application.
- 4. Students may enter in UP TO THREE categories.**
5. Teachers may not accompany students.
6. Participating teachers are expected to serve as adjudicators and be available to assist the Auditions Chair and On- Site Coordinator upon request.

Registration

1. Teachers must complete the online application and payment process at www.nats.org. Teachers are expected to proofread submissions and verify that all repertoire meets requirements. The Auditions Chair is not responsible for vetting entries and ineligible entries will be deemed disqualified at the auditions.
2. The entry fee for all categories is \$25 for each application submitted, and must be paid by the teacher. If a student participates in more than one category, an entry fee will be assessed for each category. Entry fees are non-refundable.
3. All applications and YouTube uploads must be completed by midnight, Wednesday, January 19th, 2022. An application will be considered incomplete and ineligible to participate if:
 - a. repertoire categories are left blank, or
 - b. the student contact information is not included.
4. Once registration for the student has been completed, it is **disallowed** for the student to change repertoire.

5. Teachers will receive a confirmation email indicating the category and repertoire submitted. Teachers should review the information for any error. Should an error be found in the information, it is the teacher's responsibility to advise the Auditions Chair immediately so that a correction can be made.
6. Teachers will receive a final summary of students and categories entered from the Auditions Chair once the application process closes.
7. It is the expectation that teachers will make themselves available for judging. **If it is impossible for a teacher to be present and available for judging, regardless of reason, that teacher will be required to pay an Adjudicator Replacement Fee *prior to the adjudication event.*** Teachers in this position are encouraged to give the Adjudication Chair as much notice as possible, as it is difficult to find qualified replacement judges who have not entered students themselves. **Students of a non-participating teacher will not be adjudicated unless the Adjudicator Replacement Fee has been received by the Auditions Chair.** The fee schedule is as follows:
 - a. 1-5 Adjudication Slots: \$50
 - b. 6-10 Adjudication Slots: \$100
 - c. 11-15 Adjudication Slots: \$150
 - d. 16-20 Adjudication Slots: \$200
 - e. 21-25 Adjudication Slots: \$250
 - f. (and so on at \$25 per every 5 additional Adjudication Slots)
8. Teachers entering more than 40 Adjudication Slots will also be required to pay an additional fee to cover the expenses of hiring additional judges who are industry professionals at the following rate:
 - a. 41-45 Adjudication Slots: \$50
 - b. 46-50 Adjudication Slots: \$100
 - c. (and so on at \$50 per every 5 additional Adjudication Slots)

9. While it is expected that all panels are made of NATS members, occasions may exist where non-NATS member industry professionals serve as adjudicators. In the rare occasion that the auditions chair can not obtain sufficient numbers of judges, two judges per category will suffice, in accordance with National guidelines.

10. Categories having more than 20 singers may be split into multiple sections at the discretion of the Auditions chair. However, the splits will not be determined by voice type.

Auditions Committee

The Auditions committee shall consist of

- VP of Auditions
- Online Submission Coordinator
- Judges Coordinator

Participating teachers are expected to serve as adjudicators and be available to assist the Auditions Chair and On- Site Coordinator upon request.

Audition Procedures

1. Teachers will be informed of their judging assignments by January 21, 2022 by 5pm. Adjudications should be finished and submitted to the auditions chair no later than midnight on Saturday, January 30, 2022
2. Student evaluations will be emailed to teachers. Awards will be mailed to teachers no later than February 13, 2022.

Students

1. All repertoire must be performed from memory.
2. Students are expected to dress in appropriate daytime performance attire.
3. Students are expected to be courteous and supportive of other singers in this event.
4. Students will present an introduction that includes their name and the title of their selections. Students should not mention the name of their teacher to the judges.
5. Students will present each of their selections via YouTube submission.
6. Students who cannot complete their entire program within the allotted time will still be eligible for prize recognition. However, judges will cease judging after the allotted time.
7. The top four singers in every category will receive ranking 1st, 2nd, 3rd and Honorable Mention. Singers placing 1st will receive \$50. Please watch your emails as payments will be sent through PayPal.

Accompaniment

1. You may sing with a live pianist, or recorded accompaniment in your video entries.
2. Accompanists must play from authorized copies that are compliant with the NATS Copyright Policy.
3. The accompanist may use a page turner who is not the singer's teacher
4. Due to the unprecedented nature of the times in which we find ourselves, with growing travel restrictions, school closings (and/or transitions to online instruction), and wide-spread health concerns, we know it will be nearly impossible for many to meet and record videos with live accompanists during this time. Therefore, during this crisis NATS will allow students to record audition videos using pre-recorded tracks such as found on Appcompanionist, Hal Leonard's Virtual Library, or other similar sources that offer piano-only accompaniments. YouTube Karaoke Tracks are also acceptable, as long as they are piano only. Orchestrated tracks or tracks with other instruments or voices will be accepted ONLY for the Commercial Music Categories. It will also be acceptable to use tracks that are recorded by your teacher or your pianist (who know you and your interpretation). Performers in the Commercial Music category may self-accompany . All other guidelines outlined in the video submission guidelines at https://www.nats.org/NSA_-_You_Tube_Round_Video_Submissions.html will apply and must be followed.

Video Submissions

1. Recording Location
 - a. You should record your video in the spirit of a live audition or recital performance.
 - b. You may record in a home, school, church, synagogue, recital hall, rehearsal room, or voice studio with good natural acoustics with or without an audience.

 - c. You should face straight forward to the camera as you would appear to adjudicators in a live audition.

 - e. Microphones are acceptable as long as they do not alter the acoustics of the venue or the sound quality of the singer by adding/subtracting reverb or altering the pitches being sung.
 3. Performance
 - a. Introduce each selection at the beginning of the video. Introduce yourself by saying: "My Name is_____"; "I will sing—*Title of Composition*---by—*Composer*—and if appropriate—from---*Title of Work*". (The identity of your teacher, school, and region should not be revealed.)

Policy for Transgender Students

Students who self identify as transgender or gender fluid must choose one audition category in Classical and/or Music Theater based on their gender identification at the time of the chapter or regional audition, and select repertoire linked and associated with the gender of that category throughout the corresponding audition season.

Audition Terminology

Aria	An aria is a solo taken from an opera, oratorio, mass, cantata, zarzuela, operetta, or works titled “concert aria”. Oxford Online definitions will be used for the purposes of this audition. For example, Purcell’s selections from the semi- operas and masques are considered songs.
24/26/28 Italian Art Songs and Arias	The repertoire found in the 24/26/28 Italian Art Songs and Arias collections may be counted as an aria or an art song in the high school and lower college classical categories. For the singers in the upper college categories and beyond, these pieces may count as an art song ONLY, regardless of origin. Any repertoire found outside of these collections will be considered only as the composer intended, as an art song OR aria.
Memorization	All repertoire, including oratorio, must be sung from memory.
Original Languages	Selections should be sung in original language or in translation if warranted by common performance practice.
Transposition	<p>All arias from opera, oratorio, mass, cantata, operetta, works titled “concert aria,” must be sung in the original or standard published key.</p> <p>Music Theater selections in college categories and older must be sung in the original or standard published key. High school singers and younger may use published transposed keys to accommodate voice change issues only. Any published transposition must retain the composer's intention and style of music, and preserve the character being portrayed in the story and lyrics.</p>

Classical Repertoire/ Categories	<p>The word “classical” in this context refers to art songs and arias from the “classical” genre, not limited to the “Classical” period of Mozart and Haydn. In other words, no music theater, pop, soul, jazz, rhythm and blues, etc. Published arrangements of folk songs, spirituals, and traditional hymn tunes in English are widely accepted as a part of the classical genre. Students in classical categories may present one selection of this type to fulfill the English art song requirement.</p>
Judicious Cuts	<p>Piano introductions, piano interludes, piano music after the vocal solo is completed, and internal cuts of opera arias and music theater selections are allowed as in common performance practice.</p>
Music Theatre Selections	<p>All repertoire must be from the score of a book show written or intended for a fully realized musical production. The production may be a musical (including film musicals), revue, or MUTH song cycle. A fully realized production includes blocking/acting, dance, costumes, sets, pit orchestra or piano, lighting, sound, or a combination of the aforementioned elements. Revues should thread back to the original production. Various online resources are available to confirm whether a particular selection was written/intended for a fully realized musical production, and teachers are encouraged to consult these resources when selecting repertoire for the auditions. Singers should ensure that contrasting selections represent the spectrum of their vocal and dramatic abilities. This should be exhibited by selecting pieces of varying style periods (pop/rock, contemporary, Golden Age, operetta), composers, and employing a variety of vocalism (belt, mix, legit). (Singers may choose only one operetta aria as one of their selections.)</p>
Comment Only	<p>Any student may register to sing for comments only and participate in the preliminary audition round.</p>
CCM Selections	<p>Selections from jazz, pop, rock, or other repertoire. Singers may specialize in a particular genre and have contrasting selections within the chosen genre OR may select repertoire from more than one genre.</p>

National and Regional Student Auditions

Additional opportunities for adjudication are available for the winners of our Chapter Auditions.

Singers who place first, second or third in each of the categories will be provided with the necessary information and instructions regarding advancing to the Regional and National Student Auditions following the close of the Chapter Auditions. Teachers should be sure to pay close attention to the repertoire specifics for subsequent levels of competition, as they may differ from those at our Chapter level.

Regional Auditions

Guidelines are available at nwnats.org. Regional videos are due Wednesday Feb 23, 2022.

National Auditions

Rules for the national rounds can be found at https://www.nats.org/national_student_auditions.html

- Categories and repertoire requirements may be slightly different in Regional and National Auditions.
- The national event is limited to students aged 14 – 30. Those students older than college age will compete in advanced college and graduate categories. There is an avocational adult option at the regional level but not at the national level.
